

ADAPT, Connect, and Guarantee Your Future

ADAPT, Connect, and Guarantee Your Future is an approach that builds on the government's initiatives to support individuals with barriers to work. By combining **A**lternative **D**irection and **P**rospective **T**raining (ADAPT) with the *Connect to Work* programme and the *Youth Guarantee*, individuals can access tailored support and training, connect with local employment opportunities, and guarantee a pathway to sustainable employment. This integrated approach aims to deliver successful outcomes and support the government's goals for employment and economic growth.

Work Skills Initiative

The ADAPT, Connect, and Guarantee Your Future approach is part of the *Work Skills Initiative*, a comprehensive programme designed to equip individuals with the skills and training needed to succeed in the labour market.

ADAPT: Tailored Training and Support

Alternative Direction and Prospective Training provides personalized support and skills development to help individuals overcome barriers to work.

Connect to Work: Local Employment Opportunities

The *Connect to Work* programme connects individuals with local employment opportunities, providing support and resources to help them find and retain work.

Youth Guarantee: A Pathway to Employment

The *Youth Guarantee* offers eligible young people a place on an apprenticeship, traineeship, or supported internship, providing a clear pathway to employment and a brighter future.

Monitoring and Evaluation

The programme's effectiveness is supported by the *WorkSkills Assessment Support Programme*, which provides robust monitoring and evaluation to ensure the initiative is meeting its objectives and delivering positive outcomes for participants.
